

M/Y FAR FAR AWAY

Varazze 20.04.2021

To Whom it may concerns,

We used the services of Mr Federico Pilli from ROYAL PAINT for the repair of our vessel MY FAR FAR AWAY.

We were overly impressed with the professionalism he put in his job and the dedication of his team of painters.

There was a continuous collaboration between us, our request has always been fulfilled and the job was made in the best way as agreements.

We ended with a very good repair and paint work on our boat.

We really recommend this team for any further work.

Best Regards
